WHAT IF MY FINANCIAL CIRCUMSTANCES CHANGE?

We recognise that circumstances can change; sponsors should feel free to change their level of support if it is necessary. Even if they can no longer afford to make any financial contribution, we would encourage them to continue to pray for and write to their child as this is of enormous value.

WHAT NEXT?

If you are interested in becoming a sponsor, please complete and return the attached form to the address below. The Sponsorship Secretary will match you with one of our children/young people, taking into account, where possible, any preferences you have in terms of age, gender, resident or REAP.

Joining our sponsorship scheme is a rewarding way for you to play a part in giving Filipino children a hope for the future.

REHOBOTH CHILDREN'S HOMES TRUST

Since 1981 Rehoboth has been caring for orphaned, abandoned and neglected young people in residential homes in the Philippines. In 2008, a non-residential support programme (Rehoboth Educational Assistance Programme, REAP) was established to provide educational assistance for local families who are unable to send their children to school or college due to financial limitations. The aim of Rehoboth is to provide for the spiritual, physical, educational and emotional needs of the residents and REAP students, thereby giving these young people a hope for the future.

A source of great encouragement to the young people is having sponsors who take a personal interest in their lives and write to them.

WHAT IS THE ROLE OF A SPONSOR?

Sponsorship involves praying regularly for a specific individual and emailing or writing to them. Sponsors are encouraged to send birthday and Christmas cards, too. They are asked to contribute regularly, as they feel able, towards the support of the child. Sponsors receive photos and annual progress reports, plus cards/letters three or four times a year.

HOW MUCH DOES SPONSORSHIP COST?

Sponsors are not expected to cover the full costs of an individual's support and many young people have more than one sponsor. The actual costs for each person depend on many factors such as age, level of schooling, transportation costs and whether or not the person is resident at Rehoboth or being supported in the community.

As a guide it costs about £10/month for the education of a child at elementary school, £30/month at high school and £45/month for college. The additional costs of providing accommodation and supervision for children who are resident in the Home are approximately £50/month. Therefore there is no fixed amount and we ask sponsors to give as they are able – some give more than the estimated cost and some less. The money given for sponsorship is not given directly into the hands of your sponsored child but rather towards their support through the general fund, this is to ensure both sponsored and unsponsored children and young people have their needs met.
